It is our goal to help you prepare your team for the upcoming season. In an effort to honor the tradition of scholastic-based events, we do not allow all-star teams to compete in our tournaments and championships.

SETTING THE STANDARD.

We aim to set the standard by which all other events are measured.

Our standards include:

- Employing state-certified officials

- Dedicating a specific hydration staff at each event
- Separate clock operators
- Score keepers
- 4-second timers

You will also have access to our mobile app to keep track of schedules, scores, standings and bracket information. The app is free to anyone and we ask you to share it with players, assistant coaches, parents and across your entire school.

As a participant of a USA Football 7on7 event, you have the unique opportunity to compete for entry into our National Championship event. The winner will have the option of traveling to compete in the most-competitive 7on7 event in the country.
