

# CAMP CODE OF CONDUCT

Our program operates under very few “rules” per se. However, one of our expectations is “**Do the right thing**”. And if you don’t know or you’re unsure ask someone or a few people you think would know. Therefore, for our camp we ask you follow the same expectation and **do the right thing**. If you operate under this, you find that all the “rules” you might think of should be covered.
