IAN McINTYRE

HEAD MEN'S SOCCER COACH SYRACUSE UNIVERSITY

Ian McIntyre has led the Syracuse men's soccer program to new heights. Since taking over the reins in 2010, the Orange have been selected to the NCAA Tournament five times, including three Sweet Sixteen appearances (2012, '14 & '16). The 2015 campaign was the most successful in school history. The Orange, which finished the year with a 16-5-4 record, won its first ACC Championship and advanced to the College Cup for the first time. Julian Buescher was a semifinalist for the MAC Hermann Trophy, and he and Ben Polk were MLS first-round draft picks. It marked the second straight year that Syracuse had multiple players selected in the first round. In 2014, Alex Bono was a Hermann Trophy finalist and was one of three players selected in the MLS Draft. That year, the Orange were ranked No. 1 in the nation for the first time and were the ACC Atlantic Division Champions.

On the heels of the Orange's success, Syracuse has had 12 MLS SuperDraft selections in the last five years, the most of any collegiate program. Seven of those selections were first-round picks, including Tajon Buchanan in 2019, and Syracuse had a record-setting five straight Generation Adidas contracts (2015-2019).

McIntyre has led Syracuse to six winning seasons since 2012 with an 81-41-19 record during that span. For his efforts, he was named the 2014 ACC Coach of the Year and 2012 BIG EAST Coaching Staff of the Year. The SU soccer staff creates a dynamic training environment that allows each student-athlete an opportunity to fulfill their individual potential. Collectively Syracuse men's soccer is committed to training and working tirelessly towards its goal of capturing a national title. McIntyre has over 20 years of experience directing competitive soccer camps and prides himself on creating a fun, exciting camp environment that has attracted campers from all across the United States and beyond.

BOYS' ELITE CAMP

The SU Boys' Elite Camp provides the committed soccer player (10-14 years old) a chance to train, play games, and have fun under the guidance of the Syracuse men's soccer staff. Training sessions will be conducted on our outstanding state-of-the-art facilities, which are the same facilities used by our Syracuse men's Division I soccer program. SU residential campers stay in renovated Syracuse University dormitories and utilize SU's excellent dining facilities.

A combination of technical training, small-sided and full-sided games will be at the core of the camp curriculum. The SU Boys' Elite Camp is open to club teams to sign up to train and play as a team. Goalkeeper specific training is also available and is directed by our Syracuse University soccer staff.
