The Gate

A brick arch that serves as an entryway to the academic quadrangle, the Gate sends a message of welcome to students who enter through it at the beginning of their time at Wingate and march out in the opposite direction on their graduation day. It's a reminder that a Wingate education can be a gateway to a life of service and success.

The Old Well Spring

This brick monument, with its golden dome, stands in the center of campus at the site of a fresh-water spring that attracted Wingate's founders to this location in 1896. Its four bowls symbolize Wingate's growth from a grade school to a junior college, then a college and now a university. It's also a symbol of how Wingate serves as a wellspring of knowledge and inspiration for students.

The Bulldog

We're the Bulldogs. Like Victor E., our mascot, we're friendly and fun. We're also determined, strong and dependable. When there's work to be done, we team up, double down and push through. We're loyal, faithful, willing and able. Together, we're One Dog.

GETTING AROUND...

Wingate's campus covers 400 beautiful acres, but most of the classroom buildings are tucked around the quad and are a 5- to 10-minute walk from residence halls. Sidewalks are everywhere. Skateboards are welcome. And not only are bikes encouraged, but some are provided by BIGG, our student environmental sustainability club. **BIGG Wheelz Bike Share** bikes are parked throughout campus. Visit wingate.edu/around-campus/student-life/sustainability to link to information on how to download the app and borrow the bikes.
