## Only for the Serious

At Wingate University, we truly believe that Defense wins Championships. Defensive players have to be both physically and mentally tough. The Wingate DL/LB Camp is going to prepare you not only for the upcoming season, but playing at the next level as well. We are dedicated to raising each one of our "Students" level of skill through this 3 day camp.

Wingate Defense has been producing NFL talent since the early 2000's. Kenwin Cummings and Richie Kazazian were once LB's at Wingate who spent time in the National Football League. Wingate has also produced a standout Defensive End in the CFL. Cardell Rawlings, SAC Regional 2018 Defensive Player of the Year, NCAA DII All-American, and Wingate's Program Sack Leader, was invited to the Arizona Cardinals training camp last season before playing professionally in Japan and now Canada.

Wingate's DL/LB Camp is a non-contact minicamp designed to work specifically on defensive skill development and fundamentals. Instruction will include fundamental and technique work along with film sessions. Open to Rising 7th-12th graders.

## Quality Individual

### Instruction

We guarantee personalized instruction. We are committed to keep our numbers to a 9:1 player-coach ratio. Each Camper will receive quality instruction and evaluations from collegiate coaches.
