

ARMY VOLLEYBALL CAMPS

Volleyball Camp Director: Stafford Barzey

We'd like to take the opportunity to thank you for choosing to attend Army West Point Volleyball Camps this year! We are so happy to have you! Our camps are offered to both overnight and day campers.

Our Individual Skills Camps focus on fundamental skill training. Passing, serving, attacking, setting, blocking and digging are covered in detail. Our Position Camp is an intermediate to advanced camp that separates the positions into separate camps for more intensive technique training within those camps. It's a great fit between our Individual Skills Camp and our Elite Camps! Our Elite Camp is a specialized advanced camp that is primarily position focused. Advanced skills are covered for each position and skills are reinforced through repetition and the integration of the skills in a team environment. Athletes may register for one, two or all three of our camps!

There is tournament play in the evenings as well during the last session of all our camps. Parents are welcome to come and watch their athletes play in these tournaments. The camp schedule will be given to parents during camp check-in.

We look forward to helping you become a better volleyball player. Be prepared for days packed with both volleyball instruction and play, as well as the opportunity to make new friends. We hope you enjoy your time with us!

Thank you again for choosing Army Volleyball Camps!

Check In

Check-in for all camps will take place in the parking lot at the West Point Visitor's Center. **Please note that you will not need a visitor's pass for check in as you will not be on post.**

After parents check in their campers at the visitor's center, buses will shuttle the campers (without parents) from the check-in area to the barracks where they will be staying for camp. Parents are not allowed in the barracks so parents will leave their campers at the Visitors Center. If the Visitor Control Center is open during registration, parents may want to take the opportunity at check-in to get a visitors pass for when they will be picking up their campers on the last day of camp.

Check Out

Check-out for all camps will take place at Gillis Fieldhouse. Parents may need to get a visitors pass to enter West Point. You can get your visitor pass at the Visitor Control Center, located downstairs at the Visitors Center. The entrance is at the side of the Visitors Center. We will have all camper luggage at Gillis Field House at the time of check out.

You may only enter West Point through either Stony Lonesome Gate or Thayer Gate. For GPS directions to Gillis Field House, just put in "Gillis Field House Parking" West Point, NY

Volleyball Facilities

Campers will be training at the Gillis Field House.

Dormitory/Barracks

All overnight campers are housed and supervised in dormitory rooms operated by the United States Military Academy. The maximum number of campers in a room is 4. No exceptions. Campers can request specific roommates during the online registration process. Campers may be placed in a room with other campers. As in, if you request a roommate, these two roommates may have an additional one or two roommates. The assigned rooms have beds, which are taken on a "first-come, first-served" basis. The barracks will be air conditioned.

Rules and Regulations

All campers are required to comply with the Army Summer Camp guidelines which are established to ensure personal safety, hygiene, and property damage prevention. Rules and expectations are discussed during the start of each session and are posted inside the dormitory.

Any camper found to be disruptive and unwilling to follow behavior guidelines will be sent home without a refund.

Camper Dining

Camper will dine at Eisenhower Hall, a very visible and prominent location on campus. The first meal served to your camper will be dinner on the first day of camp. Campers will be served breakfast, lunch and dinner daily. On the last day of camp, your camper's last meal served will be breakfast.

Camper will be well-fed at camp. If you choose to send snacks with them, we ask that these snacks be limited in quantity and be healthy in nature as past experiences have shown us young campers tend to overindulge. This results in stomach-aches and 'sugar highs' that are unpleasant for all involved. Please be mindful.

Camper will also have the opportunity to purchase snack items in the dorms after the evening sessions.

Camper Housing

All overnight campers will be housed and supervised in dormitory rooms operated by the United States Military Academy.

We ask that campers do not bring valuables. The United States Military Academy and Army West Point Athletic Association are not responsible for lost or stolen items.

Day Campers (Commuters)

For our Day Campers that are participating during our overnight camps, please check-in with the rest of the campers during registration between 2pm-3pm. There will be a camp meeting for the campers at 4pm after registration, dinner, and then our first session will be at 6pm at Gillis Fieldhouse. Please pick up your camper at 8:15pm at Gillis Fieldhouse. In the mornings, please bring your camper to Gillis Field House at 8:45am. Evening pick up time is 8:15pm at Gillis Field House. If for some reason you cannot make it at that time, please let us know ahead of time.
