

ARMY VOLLEYBALL CAMPS

Volleyball Camp Director: Stafford Barzey

We'd like to take this opportunity to thank you for choosing to attend Army West Point Volleyball Camps this year! We are excited to have you join us.

Our camps are offered to both overnight and day campers and are designed to support girls at various stages of development:

- **Individual Skills Camp** focuses on fundamental skill training. Passing, serving, attacking, setting, blocking, and digging are covered in detail.
- **Position Camp** is an intermediate to advanced camp that separates athletes by position for more intensive, position-specific technique training. This camp is a great bridge between our Individual Skills Camp and our Elite Camps.
- **Elite Camp** is a specialized advanced camp for older campers that is primarily position focused. Advanced skills are emphasized for each position and reinforced through repetition and integration in a team environment.

Athletes may register for one, two, or all three camps, depending on age criteria.

Tournament play will take place during the final session of each camp. Parents are welcome to attend and watch their athletes compete. A detailed camp schedule will be provided to parents during camp check-in.

We look forward to helping each athlete become a better volleyball player. Be prepared for days filled with volleyball instruction, competitive play, and opportunities to make new friends. We hope you enjoy your time with us!

Thank you again for choosing Army West Point Volleyball Camps.

Check In

Check-in for all camps will take place in the parking lot at the West Point Visitor's Center. **Please note that you will not need a visitor's pass for check in as you will not be on post.**

After parents check in their campers at the visitor's center, buses will shuttle the campers (without parents) from the check-in area to the barracks where they will be staying for camp. Parents are not allowed in the barracks so parents will leave their campers at the Visitors Center. If the Visitor Control Center is open during registration, parents may want to take the opportunity at check-in to get a visitors pass for when they will be picking up their campers on the last day of camp.

Check Out

Check-out for all camps will take place at Gillis Fieldhouse. Parents may need to get a visitors pass to enter West Point. You can get your visitor pass at the Visitor Control Center, located downstairs at the Visitors Center. The entrance is at the side of the Visitors Center. We will have all camper luggage at Gillis Field House at the time of check out.

You may only enter West Point through either Stony Lonesome Gate or Thayer Gate. For GPS directions to Gillis Field House, just put in "Gillis Field House Parking" West Point, NY

Volleyball Facilities

Campers will be training at the Gillis Field House.

Dormitory/Barracks

All overnight campers are housed and supervised in dormitory rooms operated by the United States Military Academy. The maximum number of campers in a room is 4. No exceptions. There is no guarantee that every room has 4 beds and in that case, the maximum number of campers is the number of beds in the room. Campers can request specific roommates during the online registration process. Campers may be placed in a room with other campers. As in, if you request a roommate, these two roommates may have an additional one or two roommates. The beds in the campers' assigned rooms are taken on a "first-come, first-served" basis. The barracks will be air conditioned.

Rules and Regulations

All campers are required to comply with the Army Summer Camp guidelines which are established to ensure personal safety, hygiene, and property damage prevention. Rules and expectations are discussed during the start of each session and are posted inside the dormitory.

Any camper found to be disruptive and unwilling to follow behavior guidelines will be sent home without a refund.

Camper Dining

Campers will dine at Eisenhower Hall, a very visible and prominent location on campus. The first meal served to your camper will be dinner on the first day of camp. Campers will be served breakfast, lunch and dinner daily. On the last day of camp, your camper's last meal served will be breakfast.

Campers will be well-fed at camp. If you choose to send snacks with them, we ask that these snacks be limited in quantity and be healthy in nature as past experiences have shown us young campers tend to overindulge. This results in stomach-aches and 'sugar highs' that are unpleasant for all involved. Please be mindful.

Campers will also have the opportunity to purchase snack items in the dorms after the evening sessions.

Camper Housing

All overnight campers will be housed and supervised in dormitory rooms operated by the United States Military Academy.

We ask that campers do not bring valuables. The United States Military Academy and Army West Point Athletic Association are not responsible for lost or stolen items.

Day Campers (Commuters)

For our Day Campers that are participating during our overnight camps, please check-in with the rest of the campers during registration between 2pm-3pm. There will be a camp meeting for the campers at 4pm after registration, dinner, and then our first session will be at 6pm at Gillis Fieldhouse. Please pick up your camper at 8:15pm at Gillis Fieldhouse the first night of camp. In the mornings, please bring your camper to Gillis Field House at 8:45am. Evening pick up time is 8:15pm at Gillis Field House. If for some reason you cannot make it at that time, please let us know ahead of time.

Sample Daily Camp Schedule
