

FAQs

Frequently Asked Questions (FAQ's) (highlighted questions are new/still need to be changed)

Q: Will masks be required during camps?

A: Yes, campers will be required to wear masks during camps.

Q: Will campers need to have a negative covid-19 test to attend camp?

A: We will follow all NYS testing protocols as set in place by the NYS Dept. of Health, CDC, and Governor.

Q: What safety protocols will be in place for camps?

A: Daily health screenings, temperature and symptom checks will take place, sanitization stations will be placed throughout camp locations, and group sizes will be limited to minimize risk.

Q: Is lunch provided during camp, or should camper bring lunch? What if camper has a food allergy?

A: Lunch is included in the registration fee and will be served in an outside tent to follow COVID-19 dining restrictions. Campers have their choice of pizza, hot dogs, hamburgers, deli sandwiches, salad, desserts, etc. The College may make special considerations for campers with food allergies.

Q: What time does camp begin/end?

A: Day camps run from 8:30am - 4:30pm.

Q: Where should camper report to the first day of camp?

A: Campers arriving for DAY camp should report to the main lobby of the Marcelle Athletic Complex the first day of camp in order to check-in. Campers should arrive 15 minutes early the first day of camp to allow additional time for check-in.

Q: What should camper bring to camp?

A: It varies between camps, but it is recommended that campers bring sneakers, turf shoes and/or rubber cleats. Campers may also wish to bring sandals/flip flops to wear during lunch. Campers should also wear appropriate athletic apparel (ie. shorts, t-shirt), and bring necessary equipment (ie. lacrosse stick, baseball glove, bat, helmet, pads, etc) for corresponding sport. Balls (baseball, basketball, lacrosse, softball, soccer, and volleyball) will be provided.

Q: Should camper bring drinking fluids to camp?

A: Sports Fuel will be provided by Gatorade throughout the duration of camp. Gatorade Thirst Quencher will be available on the sidelines to help fuel athletes' performance on the field and court, and help them stay hydrated. Gatorade has fluids to rehydrate, electrolytes to replenish, and carbs to refuel. Gatorade Recover Protein Bars will be available at the end of the first full day at teen majority camps and have the high quality protein athletes need to help their muscle recovery. To learn more about the science behind Gatorade, visit www.Gatorade.com. Water will also be provided by the athletic training staff throughout the duration of camp.

Q: What if camper has allergies, and/or must be administered medication throughout the day?

A: The certified Siena Athletics training staff will be on hand throughout the duration of camp. Campers should list any medical issues on the application upon registration. They should also inform the coaching staff of any allergies, or medical issues on the first day of camp.

Q: What if parents/guardians are coordinating pickup with friends/neighbors?

A: Parent/guardian should list names of individuals picking up campers) during the registration process when prompted. Parent/guardian may also wish to provide a signed note to the coaching staff during check-in on the first day, listing authorized individuals allowed to pick up camper.

Q: Are group/family discounts offered?

A: A 15% discount is offered to groups of EIGHT OR MORE. Team camp excluded. Parents may click on the group registrations tab, and complete the form in order to obtain a group code. A 10% sibling and/or multisession, discount is applied at the time of online registration payment. DISCOUNTS.MAY NOT BE COMBINED.

Q: I signed up for camp, but never received a confirmation.

A: Note that confirmations are sent electronically to the email address provided during registration. It is very important to enter the email address correctly in order to ensure confirmation receipt.
